

# Electrical Controls and Maintenance Diploma

## Page 2

### PROGRAM NOTES

- Differential tuition is assessed for the ECM courses.
- ALHE 1100 Heartsaver First Aid with CPR and AED (1 credit) strongly recommended.

### EMPLOYMENT OPPORTUNITIES

In order for industries to remain competitive, they must adapt to modern technology. Automation of equipment and processes is increasingly used to accomplish this goal. A need exists for personnel trained in servicing and maintaining high technology equipment. The job outlook for service and technical personnel is expanding. Opportunities exist in plant engineering/maintenance in almost all sectors of industry including paper/pulp, manufacturing, assembly, mining transportation, warehousing/distribution, utilities, graphics/publishing, chemical processing, and petroleum refining.
