**ONLINE COURSES:** Instructors teaching **fully online** courses will arrange their online exams during designated exam days (December 13-16, 2022), providing a broad window of time to take the exam so as to avoid conflict with any other exams for on-campus courses.

**PARTIAL SEMESTER (“Block”) CLASSES:**

- **First-half Semester (First Eight Week “Block”) Classes** (8/22-10/14) -- Final exams are scheduled for last two days of class.
- **Second-half Semester (Second Eight Week “Block”) Classes** (10/17-12/16) – Final exams are scheduled as shown above.

**TECHNICAL PROGRAM COURSES:** In place of final exams, some programs will have final projects and class wrap-up that will continue as scheduled throughout finals week. Students will be released from classes to attend any finals outside of their program courses as needed.

**EVENING CLASSES:** Final examination for classes 4:00 pm or later will be held during examination week at the regularly schedule class time.

**FINAL EXAM ROOMS:** All exams will be conducted in the room where classes have been scheduled.

**EARLY FINAL EXAMS:** Students requesting to take an exam outside of the scheduled exam time are to make arrangements with their instructor for a different time during final exam week. Such requests should be for extenuating circumstances (travel and work schedule are not considered extenuating circumstances). Petitions to take exams prior to final exam week must be submitted to the campus Director of Operations by November 28th.

**QUESTIONS?** Be sure you know when your final exams are; confirm your exam times with information provided by your instructors.
