

Minnesota North College Campus Student Associations Policy

Part 1: Establishment and Recognition

Minnesota North College students have the right to establish a student government herein referred to as a campus student association. Such associations will be named as “[Campus Name] Student Government Association.” Students establishing a campus student association shall develop a constitution for the association. The college shall recognize the campus student association as the official representative of the students, upon receipt of evidence that the student body has approved the constitution. As a multiple campus college, Minnesota North College shall develop policies and procedures to assure representation and participation in a campus student association by students at their constituent campuses.

Part 2: Duties

In addition to the duties listed in college and board policies, and in the campus student association constitution, the campus student association shall have the sole authority to recommend the chartering of student clubs and organizations for approval by the college president.

Part 3: Appeal

The appeal of decisions made by the campus student association relative to chartering, funding, or providing service to student organizations when such decisions may be in violation of law, policy, or procedure must be conducted in accordance with the existing college complaints and grievances policy.
