What is a StarID?

The StarID is a username with the goal of replacing your many login IDs with one ID, one password, everywhere. Once you activate it, you can use your StarID and password anywhere that accepts StarID. It is unique across the Minnesota State Colleges and Universities system, so you can use it at more than one school. Change your password in one place — starid.minnstate.edu — and it will change everywhere.

If you don't remember your StarID or password, click the "Need Login Help" hyperlink.

Personal - Social Security Number (SSN) and Date of Birth:

Providing your SSN and Date of Birth is voluntary and failing to do so will have no effect on the processing or consideration of your application. This information is requested to help identify your record within the system and ensure that all of your data is matched together, including financial aid application information, if applicable. If you provide your SSN and Date of Birth, it will be used by school officials for positive identification, institutional research, and required state and federal reporting. It may also be used within the system for purposes such as system consumer and alumni relations and to create summary data about system programs through data matches with other state agencies.

Social Security Number (The following formats are acceptable: 333-22-4444, 333224444)

We have a social security number on file. If you want to verify or update your social security number, after you submit your application you must contact the college or university to which you are applying.
