

HEALTH SCIENCES – BROAD FIELD

Minnesota North College

Degree: Associate of Science

Length: 60 semester credits

This program provides students a broad base of general education coursework relevant to the field of health sciences, in preparation to transfer to a broad array of health sciences majors at a college or university. This degree program is designed to fulfill health science baccalaureate requirements at all MnSCU system universities offering related degrees.

This degree is designed to transfer to all system universities offering related baccalaureate programs through a statewide articulation agreement. The Health Sciences Broad Field Statewide articulation agreement has been approved by all system universities. Even with this agreement, students must consult with counselors/advisors early and often, for guidance and planning regarding the requirements of the various health sciences baccalaureate programs. This will help to facilitate the most efficient transition and transfer.

The Associate of Science degree in Health Sciences-Broad Field will be awarded for successful completion of the courses listed below. The following minimum requirements must be completed:

1. Specific program requirements
2. Grade point average of 2.0
3. A minimum of 20 credits must be completed at Minnesota North College

		Fall Semester				Spring Semester	
Engl	1231	College Composition 1	4	Engl	1232	or 1240	3
Psyc	1215	General Psychology	3	Chem	1200	or 1521	4
Biol	1200	or 1561	4	Psyc	1220	Lifespan Development	3
*		Elective	3	Hlth	1230	Nutrition	3
				Phil	1230	Ethics	3
			14				16
		Fall Semester				Spring Semester	
Soc	1200	Intro to Sociology	3	Math	1215	Statistics	4
Math	1220	College Algebra	3	Biol	2372	Anatomy & Physiology 2	4
Biol	2371	Anatomy & Physiology 1	4	Biol	1320	or 2320	3
Spch	1210	or 1215 or 1220 or 1225	3	*		Elective	3-4
*		Elective	3				
			16				14

* Electives chosen per program of study. Please see your counselor/advisor for more information.

- Students planning to complete the MnTC must choose (6) credits in Goal 6 [(1) course from Humanities Area - Creative Process/Interpretative Performance] and one (1) course in Goal 8 as elective credits.
- Students may consider ALHE 1510 (Intro to Healthcare Concepts), ALHE 1500 (Intro to Health Professions) NAHA 1100 (Intro to Nursing), or ALHE 1610 (Medical Terminology) based on your program of study.
- Otherwise, students should choose courses based on their major and transfer institution. Please visit with your counselor or advisor for course selection.
