Program Description

The Natural Resources AAS degree program provides students with the knowledge and skills to be proficient in the technical aspects of management and protection of forest resources. Graduates will successfully perform as natural resource technicians using a science-based approach, with an understanding of social, economic, and environmental issues within the natural resources field.

Minnesota North College’s Natural Resources program at Itasca leads to the Associate of Applied Science degree and is accredited by the Society of American Foresters (SAF). The Council for Higher Education Accreditation recognizes SAF as the specialized accrediting body for forestry education in the United States.

Natural Resources-Law Enforcement AAS

Students interested in law enforcement careers within the field of Natural Resources are encouraged to follow a schedule of courses which include Introduction to Criminal Justice and Natural Resources Law Enforcement. Upon completion of this program at the Itasca campus, students may continue at the Hibbing campus, and after earning an additional 36-39 credits available there, complete the Law Enforcement Diploma.

Occupational Titles

Natural Resource Technician

Program Learning Outcomes

Graduates of this program will:

1. Gain an understanding of the biological and ecological principles relevant for making decision in Natural Resource management.
2. Develop an understanding of the interactions of society's needs, personal ethics and environmental constraints as input to resource management decisions.
3. Develop skills in the application of technology and field-based skills for Natural Resource assessment.
4. Demonstrate skills and scientific principles acquired through the Natural Resource program in a work setting in Natural Resource Management.

Transfer and Articulation Agreements

In addition to directly entering the workforce, Natural Resources AAS graduates can transfer with their degree to the University of Minnesota Crookston, University of Minnesota St. Paul, or the University of Wisconsin – Stevens Point.
