**PROGRAM**

The Early Childhood/Early Childhood Special Education A.A.S. Degree prepares students for employment in an Early Childhood setting. Students will obtain the educational background and practical experience necessary to provide young children (birth to age eight) of varying abilities with developmentally appropriate learning experiences.

Students will also explore universal promotion, secondary prevention, and tertiary intervention approaches to educate and care for children with challenging behaviors. Physical space, appropriate routines, and myriad transition and teaching strategies will be practiced. In addition, students will develop several communication strategies that will foster an inclusive, relationship-based approach to interacting effectively with diverse families.

**PROGRAM OUTCOMES**

Students will

1. Learn how to support all children, regardless of their ability
2. Learn culturally responsive practices to engage with families and the community
3. Use creativity and build leadership skills

**PROGRAM NOTES**

# Minnesota North College

## 2024-25 PROGRAM PLANNER
