OPEN TO ANYONE GOING INTO 1ST GRADE THROUGH 6TH GRADE

Come work on your game this summer! Current and former Bluejacket coaches and players will work with the students as they practice drills and play games to provide each athlete a broader mastery set, improve their understanding of the game, and strengthen skills taught over the winter! Our fee will help cover the cost of new portable hoops. Participants welcome to stay for the entire two hour time slot if interested. Make it when you can!
