Program Description

The Peace Officer/Public Safety Transfer Pathway AS offers students a powerful option: the opportunity to complete an Associate of Science degree with course credits that directly transfer to designated Peace Officer/Public Safety bachelor's degree programs at Minnesota State universities. The curriculum has been specifically designed so that students completing this pathway degree and transferring to one of the seven Minnesota State universities enter the university with junior-year status. All courses in the Transfer Pathway associate degree will directly transfer and apply to the designated bachelor's degree programs in a related field.

Universities within the Minnesota State system include Bemidji State University; Metropolitan State University; Minnesota State University, Mankato; Minnesota State University Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.

Occupational Titles

This program prepares students to take the Minnesota Peace Officer Standards and Training (POST) exam and start careers in state, municipal, and county law enforcement agencies, as well as state and federal government agencies.

Program Learning Outcomes

Graduates of this program will:

1. Evaluate and demonstrate the proper use of force in reality-based scenarios and effectively apply in all aspects of firearm usage.
2. Employ Defensive Tactics adeptly, assessing and applying the necessary force across varied situations, emphasizing ethical decision-making and cultural awareness, integrating legal standards with community safety and respect.
3. Analyze, evaluate and determine the proper response to Traffic Statute Enforcement utilizing MN Statute 626.8471, including Emergency Vehicle Operation and Accident Investigation.
4. Conduct all operational aspects of Crime Scene Processing including supportive response to the victim and community.
5. Demonstrate an understanding of behaviors and interactions among individuals, societal groups, and institutions using a cultural lens and anti-racist principles, and the ability to apply these concepts in reality-based scenarios.
6. Determine and apply Culturally Responsive Approaches in reality-based scenarios when responding to people in crisis. This includes mental illness, health, trauma, and victims.
7. Develop a personal assessment and critical reflection in cultural competency and policing practices framework, emphasizing lifelong learning as essential to effective law enforcement.
8. Demonstrate effective writing, speaking, and listening skills.
9. Have completed certification as an Emergency Medical Responder.
10. Have met all Minnesota Peace Officer Standards and Training Board criteria to obtain a degree in Peace Officer Education.
