Student Right-to-Know

Minnesota North College

Data for Minnesota North College, for fiscal years prior to 2023, are simulated to represent an unduplicated student headcount across the five institutions that combined to form Minnesota North College. The five institutions that merged on May 23, 2022 are: Hibbing Community College, Itasca Community College, Mesabi Range College, Rainy River Community College, and Vermilion Community College; now campuses of Minnesota North College.

Student Right-To-Know is a federal law that requires all colleges and universities to disclose certain information to students. This document includes the information that a college must provide to students on retention, graduation/completion, licensure exam pass rates (as applicable), and students after graduation (employment and continuing education rates).

The information is provided in compliance with the Higher Education Act of 1965, as amended. The rates below are calculated based on parameters defined by the U.S. Department of Education (USDE) and are reported annually to the National Center for Education Statistics (NCES).

Retention Rates

Each fall, a **cohort of students** is identified - all first-time, full-time, degree-seeking undergraduates. The following fall, the cohort is examined to determine the number of students who have **returned or completed their program**. This is known as **Fall to Fall Retention** - percentage of the cohort who enrolled the following fall or completed their program.

Report Year	2019-20	2020-21	2021-22	2022-23	2023-24	5-Year Average
Year of Fall Entry	2018	2019	2020	2021	2022	
Entering Cohort	771	704	546	651	557	646
Retained/Completed	436	392	305	320	349	360
Fall to Fall Retention Rate	57%	56%	56%	49%	63%	56%

Graduation and Transfer-out Rates

Each fall, a **cohort of students** is identified - all first-time, full-time, degree-seeking undergraduates. Students in the cohort are tracked for 150% of the normal time of their program to see how many complete their degree (**Graduation Rate**) or transfer to another institution (**Transfer-out Rate**).

Report Year	2019-20	2020-21	2021-22	2022-23	2023-24	5-Year Average
