What is a StarID?

The StarID is a username with the goal of replacing your many login IDs with one ID, one password, everywhere. Once you activate it, you can use your StarID and password anywhere that accepts StarID. It is unique across the Minnesota State Colleges and Universities system, so you can use it at more than one school. Change your password in one place — starid.minnstate.edu — and it will change everywhere.

Enter your information and select “Get my StarID”
