Boundary Waters College Outdoor Orientation 2026

Start your first year at Vermilion Campus with a canoe trip! Join us for the Boundary Waters College Outdoor Orientation. This trip offers incoming students the chance to get to know other new Vermilion Campus students and make connections with student leaders all while experiencing your new backyard the Boundary Waters Canoe Area Wilderness. These trips are optional for first-year students. The trips are geared for novice to less-experienced wilderness travelers. This is not a fishing trip! Sure there will be time to do some fishing, but canoe travel, portaging, camp skills, and making new friends will be the focus.

- Vermilion Campus students – any major, beginners expected
- August 17-21, 2025 (5-day, 4-night BWCAW Canoe Trip)
- \$365 (Nonrefundable course fee is added to fall tuition)
- Limited availability
- Contact your advisor to register – Fall Course PREP 0091, Sec 01, ID# 000393

Arrangements may be made for early arrival to campus housing on August 16th.

This experience will be led by a seasoned wilderness guide paired with a Vermilion student leader. Food, equipment, permits and instruction are included (although you can bring some of your own equipment). Detailed trip itinerary and equipment list will be provided upon registration.

Vermilion contact is Sara Yatckoske at Sara.yatckoske@minnesotanorth.edu. Or call enrollment services at 218-235-2191.
