

Class of 2026

Dear Graduates,

On behalf of all faculty and staff of Minnesota North College, I want to congratulate you on reaching a very important milestone in your life. Earning a college degree is not easy, as it requires an investment of time and money, hard work, and perseverance.

You should be proud of this well-earned accomplishment, which will serve as a launching point for you to advance your life and career goals.

Whether you pursued your degree at the Hibbing, Itasca, Mesabi Range Eveleth, Mesabi Range Virginia, Rainy River, or Vermilion Campus, we thank you for choosing Minnesota North to continue your studies.

Again, congratulations and best wishes!

In Appreciation of Our Retiring President

As we celebrate the accomplishments of the [Class of 2026](#), we also pause to recognize the dedicated leadership of Dr. Michael (Mike) Raich. Dr. Raich first came to Hibbing Community College in 2006, serving in multiple leadership roles before stepping in as Interim President of the Northeast Higher Education District (NHED) in July 2019. He was officially appointed President in April 2021, midway through guiding the five separate institutions of NHED through a historic merger—creating one, singly accredited college with six campuses located across northeast Minnesota. As the inaugural president of Minnesota North College, Dr. Raich's leadership has positioned our campuses to carry forward our vision as a premier provider of life-changing education and a catalyst for regional prosperity. Throughout his tenure, he has led with integrity, steadiness, and a clear commitment to our students and the region we serve.

Thank you, Mike, for your dedicated service and lasting legacy at Minnesota North College. [Congratulations on your retirement - the next adventure awaits!](#)

PHI THETA KAPPA

Phi Theta Kappa exists to recognize and encourage scholarships among students in two year colleges. The honor society provides opportunity for the development of leadership, an intellectual climate for the exchange of ideas, and stimulation of continuing academic excellence. To be eligible for membership in Phi Theta Kappa, a student must:

1) be enrolled in a two-year college; 2) have completed a minimum of 12 credits and be a full-time student; 3) have a grade point average of at least 3.35; 4) be of good moral character and possess recognized qualities of leadership.

MINNESOTA NORTH COLLEGE – HIBBING CAMPUS

Hibbing was one of the first towns in the nation to expand educational opportunities by opening a two-year college in 1916. Thus, Minnesota North College - Hibbing is one of the oldest two-year colleges in Minnesota and the nation. Eleven students attended the first and only course offered in 1916 at Hibbing Junior College—later known as Hibbing State Junior College, Hibbing Community College, and then Minnesota North College - Hibbing. The location of the college has changed three times, from North Hibbing, to the west wing of Hibbing High School, and finally, in 1969, to its current location along Highway 169.

The Hibbing Area Vocational Technical Institute was established in 1962. It responded to the need to provide post-secondary vocational opportunities for high school graduates and miners who were being affected by the “boom and bust” cycles on the Iron Range. The institution was renamed a Technical College in 1989. In 1992, it merged with the Eveleth campus to form Range Technical College. Hibbing Community College, a technical & community college, was established on July 1, 1996, through the consolidation of Hibbing Community College and Range Technical College - Hibbing. On May 23, 2022, Hibbing Community College merged with Itasca Community College, Mesabi Range College, Rainy River Community College, and Vermilion Community College to form Minnesota North College.

Today, Hibbing’s campus serves more than 1,200 students and provides 26 degree options on-site, including A.A., A.F.A., and A.S. degrees. The campus offers a wide variety of liberal arts courses, transfer programs, occupational and technical programs, customized training, continuing education, student activities, athletics, and fine arts programs.

THE MACE

The mace is traditionally used in the commencement ceremony at Hibbing’s campus. The word “mace” is from Middle English and was originally used to refer to the implement of breaking armor during the Middle Ages. Today, its use is more peaceful, for it now is a staff borne by, carried before, or placed near a dignitary as an insignia of dignity and authority.

The mace used in today’s commencement was designed by former Hibbing Art Instructor William D. Goodman. The staff is made of wood and topped by the lamp of learning which symbolizes the illuminating quality and the clarity of thinking that characterizes education. The staff is carried by the most senior instructor at Hibbing’s campus.
