

DIESEL MECHANICS TECHNOLOGY INSTRUCTOR

MSCF Faculty

Unlimited, Full-Time

Anticipated Start Date: November 4, 2026

Minnesota North College-Hibbing Campus is seeking an Unlimited full-time Diesel Mechanics Technology Instructor position who is committed to excellence in teaching and learning; using active and experiential learning strategies; creating a student-centered environment; commitment to teaching students with a wide variety of backgrounds and working collaboratively with colleagues to create a successful student-learning environment.

Position duties include but are not limited to:

- Instruct students in a variety of lecture and lab settings. Coursework may include: General Shop Practices, Hydraulics, Electrical Systems, Customer Repair, Transmissions, Differentials, Machine Shop, Undercarriage, and Steering and Alignment.
- Activities related to teaching and learning including, but not limited to: curriculum development, collaborating in learning communities, instructional planning, student evaluation, classroom management, interpersonal relations, promotion of safety and student success.
- Research, advocate and participate in professional development experiences.
- Provide program leadership, participate in advisory board, program review, and establish partnerships (regional initiatives, K12 career pathways, and business and industry)
- Explore and use technology to enhance teaching and student learning.
- Work collaboratively with a diverse learner population.
- Participate in the larger college and professional communities through a variety of activities (e.g., curriculum development, service on committees, student life, etc.).

Work Location: Minnesota North College – Hibbing Campus in Hibbing, MN

Salary Range: \$51,303 - \$71,893/annually

This salary range is for initial placement only. If currently teaching within Minnesota State, current salary will remain the same.

GREAT BENEFITS PACKAGE! Includes low cost medical and dental insurance, employer paid life insurance, short- and long-term disability, pre-tax flexible spending accounts, retirement plan, tax-deferred compensation, sick leave, paid personal days. Learn more at: <https://mn.gov/mmb/segip/>

Minimum Qualifications

Education Requirement

- Post-secondary diploma or equivalent certificate in diesel mechanics technology.

Occupational Experience Requirement

- Four full-time (or equivalent) years of verified related paid work experience in diesel mechanics.

Recency Requirement

- One year of this work experience shall be within the five years immediately preceding the date of application for the credential field. The recency requirement shall be waived if the individual has two years of successful full-time (or equivalent) postsecondary teaching experience in the credential field within the last five years.

Teaching and Learning Competency Requirement

- All new faculty must complete the teaching and learning requirement during their probation period. See requirements here: [Teaching and Learning Competency Requirement](#)

Preferred Qualifications

- Teaching experience with a diverse learner population.
- A commitment to cultural diversity, inclusive teaching, and student success.

Application Procedure:

DEADLINE TO APPLY: October 6, 2026 at 12:01 am (10/05/2026 at 11:59 pm)

Candidates with professional or lived experience in engaging diverse communities in their professional career are especially encouraged to apply.

- **External Applicants:** Applicants not currently employed by Minnesota State can access the [career site](#) to search and apply for jobs, and to check the status of applications.
